Chairman's Message

Vasishtha JEE and Vasishtha NEET is going to commence a special foundation batch (3 Year & 4 Year Programme) with a two-fold purpose : Excellence in giving a head start to students in classes IX & X as well as Expertise in nurturing students for high rated examinations like National Standard Examinations in Junior Science / Physics / Chemistry / Astronomy (NSEJS/P/C/A), Pre-Regional Mathematics Olympiad (PRMO), Regional Mathematics Olympiad (RMO), National Talent Search Examination (NTSE), SSTSE (State Science Talent Search Examination), National Mathematics Talent Contest (NMTTC) and other Private Science / Maths / English / Social Science Olympiads.

The idea of Vasishtha JEE and Vasishtha NEET is to provide care to students and treat them as our own kids. In Vasishtha, Our intent is to uplift every student from the level at which they entered Vasishtha.

Principal's Message

Vasishtha JEE and Vasishtha NEET, a division of Shree VasishthaVidhyalaya provides Class IX and Class X with the intent of holistic development through state-of-the art academics as well as quality services. The pillar of Vasishtha JEE and Vasishtha NEET special batch is a 21st century worksheet model in which every student practices in class what they just study.

For competitive examinations, we have made the most relevant material and course plan based on previous year papers to fit the needs of the student. Students are coached both inside and outside the classroom, thus giving them a holistic preparation plan. Students are being given special psychological and motivational counselling regularly to overall engage students and help them in taking all the decisions. In this way, our aim is to act as a student guide in all the ups and downs he may face during his studies in Shree Vasishtha Vidhyalaya.

WE HAVE A DREAM

to create **1000** IITians
NITians
Doctors

All the subject teachers are available to solve the doubts of the students through one to one guidance and explanation.

- **Student Mentorship Programme** - Each class is allotted a class teacher who mentors each student in a way that motivates him/her to give his best. It covers academic guidance, personal care, and timely motivation that contributes to a satisfactory output.
- **Content Discussion** - Each exercise of the content module is discussed in the class after the completion of the topic. DPP related to the topic are also discussed after the content module discussion. Some extra questions as per the relevance of the topic are also given and discussed.
- **SEPS** - School Examination Preparation Sheets are meant to cater school and board examinations. It consists of subjective questions that enhance the presentation and articulation of answers. Each SEP sheet is collected for checking after the completion of the topic.
- **Smart Learning** - Students are made to learn in an environment that imparts thorough understanding of the topic. Practical learning atmosphere, adopted for good grasp of concepts.
- **Complete Study Material** - It comprises content books and DPPs (Daily Practice Problems). Content book is a collection of topic wise sequential theory and questions based on it to check progress of students. DPPs are extra sets of practice questions which are given as homework and are discussed in the classroom. Students who do regular homework and participate in classroom discussion are likely to succeed in Competitive Examination.
- **One to one doubts and problem solving sessions** - Doubt sessions are conducted on a daily basis to cover up all the missed concepts.

VASISHTHA EDUCLINIC

Student Overall Enhancement Programme

Do you face any of the following problems ?

1) Which stream should I choose ?

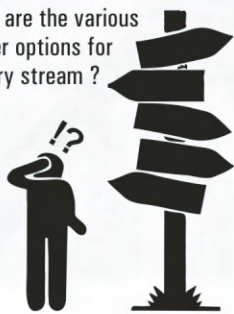

2) How should I improve my school marks ?

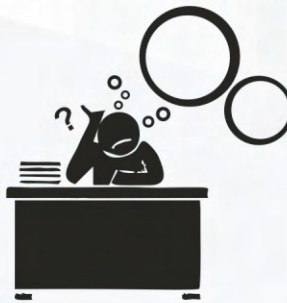

3) Should I take an early start for a competitive examination ?

4) What are the various career options for every stream ?

5) How to study to get good marks ?

6) How should I manage my time effectively ?

FAST : Test Paper Pattern

Test Duration	60 Minutes
No. of Questions	50 MCQs
Marks / Question	02 Marks for Each
Maximum Marks	100
Marking System	No Negative Marking
Mode of Test	Offline (Pen & Paper Mode)

Scheme of Test Paper

Subjects	No. of Questions	Marks Allocation
Mathematics	10	20
Mental Ability	10	20
Physics	10	20
Chemistry	10	20
Biology	10	20
Total	50	100

Note : Syllabus of **FAST** according to their current standard syllabus.

VASISHTHA JEE

Create IITians & NITians

3 Years & 4 Years Programme (Class IX & X)

The aim of the course is to secure Top Rank in JEE (Main & Advance). The programme also provides assistance in scoring high marks in X & XII Board exam as well as in NTSE/KVPY and other academic Competitive Examinations. Additionally, the program lays down an eminent foundation for International Olympiads by enhancing their potential. Students join this programme at an early stage to contribute more time to clear their concepts and practice efficiently for IIT-JEE.

Key Features of VASISHTHA JEE :

- JEE Advance oriented class.
- JEE Main Pattern tests in Class IX/X.
- Special emphasis on Olympiads like PRMO, NSEP, NSEC, NSEJS etc.
- Specially Designed study material.
- Optimum support for X Board and other private Olympiad.

Subjects Offered -

Physics, Chemistry, Mathematics, Biology, Social Science, English, Mental Ability and Languages.

Class	Course Name	Course Fee	Installments				
			I st (April)	II nd (Oct.)	III rd (April)	IV th (Oct.)	V th (April)
IX	Arjun (4 Year)	2,75,000	55,000	55,000	55,000	55,000	55,000
X	Eklavya (3 Year)	2,30,000	57,500	57,500	57,500	57,500	—
